R.O.P.No. 10 B.3/30-31 Madras Dated 12- 3- 31

Subject:-

Budget Estima te for 1931- 32- Elementary Education Fund- Taluk Board, Harpanahalli.

****

S u b m i t t e d.

2. In the Revised Estimate for 1930- 31 a sum of Rs.1560/- is shown as minus entry under the amount taken credit as Government grant under the proviso to Section 37 of the Madras Elementary Education Act of 1920. The President, Taluk Board has not explained the reason for this entry.

3. The President requests ~~that~~ we payment of full grants towards the cost of construction of Elementary School buildings and to meet the net cost of all subsidized schools. As regards the first request the attention of the President, Taluk Board may be invited to G.O. Nos. 172 Law Education, dated 28--1--28 and 1679 Law Education dated 11-8-28 G.O. No. 2285 Ms. Law Education dated 6--11--30 and the principle of financing local bodies towards capital expenditure may be explained to the President, Taluk Board. Regarding the second request attention is invited to para 2 of G.O. No. 1854 Ms. Law Education, dated 12-9-30. The Board should consider the question of levy of education cess ~~in the~~ with a view to improving its resources.

4. In this connection, it may also be observed that the general condition of existing Board elementary schools is not very satisfactory. 9 schools are understaffed; in three higher grade elementary schools the Headmasters are not Secondary Grade teachers; the teachers are not given any graded or time-scale, 39 schools, are held in rented buildings which are generally ill lighted and ill ventilated and wanting in space for gardening and games. One of the buildings owned by the board is said to be in a bad state of repair. 7 schools urgently require furniture, books and teaching appliances. To remedy these defects funds are required and the levy of Educational cess is necessary to improve

the resources.

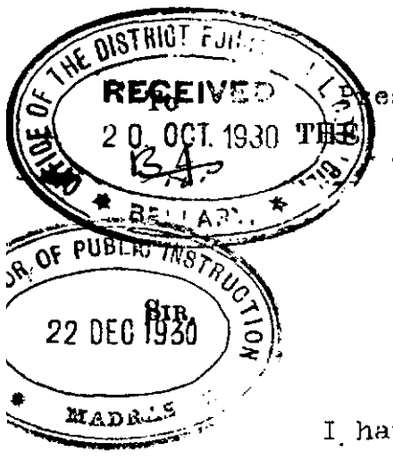
OFFICE OF THE PRESIDENT TALUK BOARD
HARPANAHALLI.

Dated 17.10. 193 .

FROM

M.R.Ry. K. S a n t h a p p a Garu,

President, Taluk Board, Harpanahalli.



To

The President,
District Educational Council.,
Bellary.

I have the honour to forward herewith. the Budget estimate of the Elementary Education fund account of Harpanahalli Taluk Board for the year 1931-32 for favour of approval and transmission to Government for sanction.

A copy of the Resolution of the Council approving the Budget may be forwarded to this office. The Government have in their order No. G.O.M.S. 1354 L.E. dated 12-9-30 Para (ii) advised that a suitable building programme may be framed considering the large provision made in the Budget estimate for 1930-31 under " Houserent". There is a further increase under that head in the budget proposals for 1931-32. Owing to paucity of funds the Taluk Board are unable to frame a building programme to curtail the expenditure under house rent. The Government may kindly be moved to give a special consideration to the case of this Taluk Board and to sanction full building grants to it, at least for one or two buildings each year.

The contribution from the General account is on the increase year after year due to additional staff employed in elementary schools including subsidised schools for which adequate contribution from special grants have not been given. Without adequate staff the schools will be nominal without efficient work. Where there is no efficient work, the expenditure involved will be a waste. Hence I would like to point out that unless the net cost of all subsidised schools is met by Government grants it is impossible to maintain such schools in an efficient condition and to request that the proposal to sanction the net cost of subsi-

Sir,

Lr.No. 18578-1 B2 dated the 20.5.31

Reference:- G.O.No.M.S.597 Law (Education) Department dated 13-4-1931, approving with remarks the budget estimate for 1931-32 of the Elementary Education fund under the control of the Taluk Board Harpanahalli.

The minus entry of Rs.1560 in the revised estimate for 1930-31 is explained as follows:-

A sum of Rs.20255 was adjusted in the treasury in the year 1929-30 towards elementary education subsidy due to this taluk board against 18698 sanctioned in G.O.Numbers 684 dated 11-4-29 and 1122 dated 31-5-29, by mistake. The excess credit was therefore Rs.1557/- which was refunded to the credit of Provincial funds during the year 1930-31. The amount refunded has been shown as a minus entry in the ~~Revenue~~ Revised budget estimate.

The remarks contained in para (ii) are noted.

As regards the proposal to levy Elementary Educatic cess, the question may be considered when the new boards reconstituted under the Madras Local Boards (...ment) ac 1920, as it is not possible to levy the cess at present under the existing economical conditions of the ryots in the area under this taluk board and the tightness of the market. I shall some how manage to appoint secondary grade candidates as headmasters of elementary schools having standards above the V but I regret that the remaining thing

~~reference~~ referred to by the Director of Public Instruction cannot be remedied unless and until the Government take a sympathetic view of the case of this taluk board and make liberal grants for the construction of buildings, provision of equipment and additional staff in the schools as a special case.

I have the honour to be,

Sir,

Your most obedient servant,

K. Sanjeevappa
